

Hello – I'm Gordon Smith, spokesperson for NASA's Share the Warmth Campaign – an annual donation drive to collect new, warm winter items for local Edmonton charities.

In support of this year's campaign, and to bring to light just one of the issues faced by Edmonton's less fortunate, I would like to invite you to get involved in a new challenge/contest, "Expose Your Toes". (similar to the ALS bucket challenge).

Visit the [NASA website](#) for all things "Share the Warmth" – including a [video link](#) of the top guys at NAIT to see how it's done and how you can be part of the challenge.

On behalf of our local charities – Thank You for your support.
