

WE ARE

eyesafe

Your safety is our vision

MEMBERS!

Edmonton is committed to looking for ways to keep our members safe, which is why we are members of the Eyesafe® prescription safety eyewear program. This program makes it simple for members to get the prescription safety glasses they need, matched specifically to their type of work, and fit properly to their face.

You can choose from any of the 350+ Eyesafe® clinics you will find at www.eyesafe.ca by clicking on **Find an Optometrist**. Enter your postal code and a list of the Eyesafe® optometrists in your area will appear.

For more information and details on the program, contact:

Lana Bjorkquist

Here is how you order your prescription safety glasses

- 1 Obtain a job ticket from **Edmonton**
- 2 Book an appointment with an Eyesafe® optometrist.
- 3 The Eyesafe® clinic you visit will know NA A's policy requirements.
- 4 The clinic will then order your glasses.
- 5 When you pick up your glasses, clinic staff will ensure there is a perfect fit to your face.
